Re: *Ex Parte* presentation in MM Docket 99-25

Dear Ms. Salas:

On July 13, 2000 I met with Kathy Brown, Don Erbach, Susanna Zwerling, and Julie Barrie on behalf of MAP's clients in this proceeding, the United Church of Christ, Office of Communication, the General Board Global Ministries of the United Methodist Church, Department of Communication of the Evangelical Lutheran Church in America, the National Council of Churches of Christ, the Civil Rights Forum, and Libraries for the Future.

I discussed UCC *et al.*'s concerns with several issues being considered by the Commission raised in pending Petitions for Reconsideration in the above-captioned docket. Many of these issues are already covered in UCC *et al.*'s Petition for Reconsideration in this docket. Specifically, I emphasized that low power radio applicants and licensees will not have the financial resources to engage in lengthy and burdensome procedures concerning interference disputes. I expressed their continued support for Radio Reading Services and any efforts the Commission can take to ensure those services are protected. Finally, I explained that UCC, *et al.* would like the Commission to extend ownership limits on low power radio stations.

Pursuant to Section 1.1206(b), 47 C.F.R. §1.1206, this letter and is being filed electronically with your office today.

Sincerely,

Cheryl A. Leanza  
Deputy Director
